Here's how the points work:

Items featured in each of the "Starz on the Move" flyers will be assigned point values. When you purchase one of these items you will earn the specified number of points times the quantity of the item purchased. These points will accumulate during the promotion period.

At the end of the "Starz on the Move" promotion, you will have the choice of redeeming your accumulated points for a gift at the online redemption center or as a credit on your Thomas O. Miller & Company account.

Ask your sales representative for complete details.
